

Pinewood Infant School

September 2014

Dear Parents/Carers

Topic work

As part of our general topic work children undertake a variety of experiences both within school and the local area to support their learning. This letter outlines what these activities involve and seeks your permission for your child to take part.

Local studies

Reception children look at the school grounds and the adjacent play park area. Y1 and 2 children study the houses and other features of Pinewood Park, the local shops at the end of Sandy Lane and the wooded area adjacent to Pinewood Park. Transport **is not** involved for these activities.

Science and Design Technology

During some topics children will have the opportunity to handle and taste a variety of foods as well as combine them in cooking. It is very important that we are aware of any allergies or items that should not be offered.

Yours sincerely

Sue Harris (Mrs)
Headteacher

.....
Child's name.....Year Group.....

Pinewood Infant School: Local Studies Consent form 2014-2015

I give permission for my child to take part in studies of the local area
