

## Sports Funding Premium

In May 2013 the government announced it would be providing additional funding to schools for academic years 2013 to 2014 and 2014 to 2015. The Chancellor of the Exchequer's Autumn statement revealed that the Sport Premium will now be extended into the academic year 2015/2016.

The aim of this ring fenced funding stream is to increase children's participation in, and enjoyment of, sporting activities in a way that is sustainable once the 3 year funding stream has finished. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs

For the financial years 2013-15 we received a grant of £8,355. We have allocated this money as follows:			
Cost	Provision	Rationale	Intended Impact
£ 1,400	Staff Development as part of a local cluster group.	The most sustainable legacy of this funding is well qualified teachers.  Membership of this cluster group has provided two practical twilight training sessions for each member of the teaching staff as well as a whole school staff meeting to look at progression and health and safety in the subject.  PE Manager briefing event	A team of competent staff who confidently deliver a range of appropriate physical education activities throughout school.
	PE equipment SLA	Equipment is safe and fit for purpose	-

£ 340	New football equipment for the playground.	Y1 and Y2 children are very enthusiastic about football at playtimes, their play is moving beyond the 'kick and chase' game.	New football goals have helped to provide structure and engagement during play times
£744	2 mini ipads, robust covers and portable speaker.	The PE manager and her year group are trialling new technology for adults and children to use to capture evidence of PE activities for assessment and evaluation purposes.	I-Pads are used as an assessment tool to free up staff time from making on the spot notes children can watch and comment on their own performances – with a view to making improvements.
£ 1000	Equipment to develop fine and gross motor skills in year R e.g big balls, hoops, balance blocks, skipping ropes	Children in the Early Years have poor gross and fine motor skills. In order to develop their skills equipment has been purchased to improve skills and progress towards the moving and handling Early Learning Goal	
£ 1000	Equipment to replace playtime toys and encourage greater activity.	The PE manager and her year group are trialling new technology for adults and children to use to capture evidence of PE activities for assessment and evaluation purposes.	This will free up staff time from making on the spot notes and will enable the children to see and comment on their own performances – with a view to making improvements.

**For the financial year 2015-16** we received a grant of £8,355.

We have allocated this money as follows:

Cost	Provision	Rationale	Intended Impact
	PE equipment SLA	Equipment is safe and fit for purpose	
£ 4,800	Sports coach to work with all year groups for 1 ½ hours a week.	The most sustainable legacy of this funding is well qualified teachers. The sports coach is working alongside the teachers delivering lessons and providing CPD for all of the teachers in Gymnastic and Games	Staff will be confident to deliver PE lessons. Quality of PE lessons will improve. Behaviour during PE sessions will improve and all children will engage actively.  Children's core strength and gross motor skills will develop and be stronger which in turn will lead to an improvement in stamina and handwriting.
£ 700	Staff Development as part of a local cluster group.	The most sustainable legacy of this funding is well qualified teachers.  Membership of this cluster group has provided two practical twilight training sessions for each member of the teaching staff as well as a whole school staff meeting to look at progression and health and safety in the subject.  PE Manager briefing event	A team of competent staff who confidently deliver a range of appropriate physical education activities throughout school.
