"Two Schools, One Family, One Vision"

Monday 20th January 2025

Dear Parents and Carers,

We are pleased to inform you that our next 'Open Morning' is on Wednesday 12th February 2025 from 8:50am – 10:00am. The focus for the morning is **'Internet Safety'**. It is an opportunity for parents, carers or grandparents to join in learning experiences alongside their own child(ren) on this key area of our curriculum and a key area of learning for life. **Please do your best to attend this event as having up to date knowledge for how to keep your child safe online is a key parenting skill these days.**

The morning will consist of a presentation that will share the latest guidance for how to keep ourselves and the children safe online. We are fortunate that Liam Buggs, one of our school governors, is also a Chief Innovation Officer for an IT services education company. He is up to date with the latest useful information which I am sure we will all benefit from. Our local PCSO from the Farnborough Neighbourhood Policing Team, will also be joining us on the morning. This information will take place in the hall before you will venture to the classrooms to join in with a fun, interactive lesson alongside your own child.

Parents, carers and grandparents are invited to come in and learn alongside their child(ren). However, due to the space available we request that **only one adult (no younger siblings please) attends per child**. We will have other Open Mornings in the future so that a different family member can attend. If you are a parent or carer of two or more children across the school, you are welcome to spend some time with each child. We ask parents, carers or grandparents to enter and exit the school through reception and not the children's classrooms; this way we are aware who is on the school site in case of an emergency.

We hope you can join us and we look forward to a thought provoking morning for everyone!

Warmest regards

Paul Shakespeare
Executive Headteacher
